We were in Alaska fishing when the Storm hit. Therefore we lost our home, car, boat & all our personal possessions. We now have a trailer after spending 2½ months in Wisconsin with relatives. We are happy to be back and things are getting better everyday - slowly - but everyday!

Write something special that you would like Santa to bring you or your family:

We have our love, friends & family who are all safe - All I wish for is a speedy recovery so we can begin to put our lives back together. A prayer for all for peace and understanding in this very difficult time.

Please use back or another sheet of paper if you want to write more. We want to hear your story.
